About McArthur River Mining’s Community Sponsorships and Donations Program

McArthur River Mining is committed to contributing to the community through its annual Community Sponsorships and Donations program.

The program is focussed on initiatives that contribute to positive outcomes for the Territory and align with the company’s overarching purpose and values.

Community groups, not-for-profits and associations can express their interest in the program during biannual funding rounds. A panel will assess applications on benefit to the Territory and alignment with our purpose and values.

Community groups, not-for-profits and associations can express their interest in the program during biannual funding rounds. A panel will assess applications on benefit to the Territory and alignment with our purpose and values.

Successful applications will contribute towards positive outcomes for the Territory in one or more of the following areas:

- Culture and art
- Education
- Enterprise and job creation
- Environment
- Health
- Social and community development

To be eligible for funding through the Community Sponsorships and Donations program, the organisation must:

- be a not-for-profit organisation or registered charity
- demonstrate strong community involvement and values
- provide details to McArthur River Mining on where funds were used and measurable outcomes for the community; and
- be able to complete Glencore’s vendor screening and on-boarding process.
