

Minara Community Foundation

Grant Guidelines and Application Form

Grant Guidelines

Murrin Murrin Operations (formerly known as Minara Resources)

established the Minara Community Foundation in 2007 for the long-term benefit of the people in the northern Goldfields community, where Murrin Murrin Operations is situated.

Minara Community Foundation seeks funding applications from local groups for charitable projects and initiatives to assist communities and future generations in the northern Goldfields. Projects that provide economic, health, education and other social benefits are prioritised.

Capacity Building

We support capacity building in these areas:

- Education / training;
- Health and other social benefits;
- Economic development;
- Environment;
- Programs and initiatives for youth and future generations; and
- Culture and heritage, including the protection of Indigenous culture.

Community Focus

Projects and initiatives should:

- Incorporate community consultation, participation and support;
- Offer a demonstrable benefit to the community; and/or
- Result in a clear vision or strategy for benefiting the community in the long term.

Eligibility

Community groups and organisations with activities and purposes that benefit local communities within the Shires of Laverton, Leonora and Menzies are prioritized during the review and approvals process.

Grant applications from \$1,000 to \$50,000 are invited for consideration.

Timing and Evaluation

Applications should be submitted by Friday, 30 October 2026.

Ideally, projects should commence by June 2027.

Applications will be considered by the Minara Community Foundation Local Advisory Committee and Equity Trustees. We may seek more information and meet with you to discuss the application in more detail. We may also consult with the local community concerning your application.

Applicants will be notified regarding the progress of applications prior end November 2026.

If your application is unsuccessful, you will be advised by email.

Not all applications may be funded, even where they meet the selection criteria.

Grants governance

Grant recipients agree to abide by conditions of grant as outlined in a Minara Community Foundation Grant Agreement.

The Grant Agreement covers areas such as reporting and acquittal, acknowledgement and promotion of grant, and photographic consent.

Compliance

Payment of grant funds are subject to Glencore's Third Party Due Diligence and Global Anti-Corruption Policy compliance in regard to charitable contributions.

What we do not support

In line with our charitable guidelines and project standards, applications that may be ineligible for consideration include those:

- solely benefitting individuals, including support for activities such as academic studies, sporting events, travel or third party fundraising;
- from political parties, political organisations, politicians or candidates for public office;
- for touring sports teams;
- restricted to private or exclusive participation including religious activities;
- that are unable to demonstrate support from the owner of a facility;
- that have not addressed or received appropriate planning approvals;
- from private or public companies or individuals with the sole intention of making a profit;
- Minara Community Foundation considers to be high risk;
- submitted by organisations which have failed to meet acquittal standards of previous grants; and
- seeking retrospective funding.

We welcome the opportunity to discuss your grant application and encourage you to contact us for assistance.
